Parts & Appliances

10025122 - EASA.210.10052607  
EUROPEAN TECHNICAL STANDARD ORDER - 10052607 - EUROAVIONICS GmbH - 301634

**Remarks:**

The RN7(D) system must receive the horizontal position source from an approved GNSS receiver to meet the ETSO-C165 requirements. The unapproved internal GNSS receiver position is for information only. See installation manual section 2.1 for more details.

This authorization supersedes approval EASA.210.10052607 to add a new part number for customized disk.

**Deviations:**

Deviate from ETSO-C113 3.1.1 and use SAE AS 8034B instead of SAE AS 8034

**Limitations:**

See DDP section 3 for limitations

**Additional Functionalities:**

Additional functionality as listed in the DDP is not covered by the above mentioned ETSO standard(s) and is accepted on a non-interference basis.

**Conditions:**

1. The above ETSO Authorisation holder is only authorised to identify an Article with this ETSO marking whilst remaining in compliance with the conditions retained for the Issue of this Authorisation.
2. This ETSO Authorisation does not constitute an installation approval. It is the responsibility of those installing this article to determine that the aircraft installation conditions are within the ETSO standards.

This ETSO Authorisation shall remain valid until surrendered or revoked.
